

Test Dates 2011

IELTS tests are available in Switzerland on up to 48 fixed dates a year. Tests are offered on either Saturdays or Thursdays.

The Listening, Reading and Writing tests are all taken on the same day. However, exceptionally the Speaking test may take place up to seven days before or after the other papers; this would be decided by the centre and discussed with you.

The following test dates are available in Switzerland.

To register for an IELTS test, you need to contact the test centre at least 12 weeks before the test date to be sure of reserving the date you require. Make sure you speak to the centre in good time.
