

Elective Spanish/Español

**Learn Spanish and discover a new language in an easy and entertaining way.
For M4 and DIS4**

Aim Transmit first knowledge of the Spanish language to students in a simple and enjoyable way. Achieve a basic level of Spanish for further studies.

Content This course is ideal for students who wish to learn the basics of Spanish.

The students will take a dive into the language and culture of the Spanish speaking world and will learn to communicate in Spanish in simple situations of daily life. We train authentic expressions and model-sentences and we learn to communicate in various ways, sometimes also through modern Spanish songs.

Grammar: Present, future and perfect.

Ideal preparation for Spanish language subject in the IB Diploma Programme or for the „Schwerpunktfach Spanisch“ in Matura class M5.

After successfully completing the course the students will have reached Level A1 after GER (Gemeinsamer Europäischer Referenzrahmen) criteria.
