

## Elective Spanish/Español

**Learn Spanish and discover a new language in an easy and entertaining way**

Classes: I1 - I4

**Aim** Transmit first knowledge of the Spanish language to students in a simple and enjoyable way. Achieve a basic and advanced level of Spanish for further studies.

**Content** The students will take a dive into the language and culture of the Spanish speaking world and will learn to communicate in Spanish in situations of daily life. We train authentic expressions and model-sentences, and we learn to communicate in various ways, sometimes also through modern Spanish songs.

Ideal preparation for Spanish language subject in the IB Diploma Programme.

We offer two different classes in room 308: Mondays (16:15-17:40) for the basic level and Tuesdays (16:15-17:40) for the advanced level.

I look forward to seeing you.
