Personalised Learning Coaching: This structured academic support programme is offered to students who would benefit from enhanced, individualised learning strategies. It caters to a broad range of student needs—from managing dyslexia or ADHD to extending learning for high-achievers.

To ensure flexibility and impact, our coaching programme is offered in three tiers based on the level of intervention required. The fees associated with each tier reflect the intensity and frequency of support provided, matched to individual needs of the student. The needs of the student will be reviewed at the end of each semester.

Tier	Level of Support	Annual Fee
Tier 1	Mild Support	CHF 3,000
Tier 2	Moderate Support	CHF 6,000
Tier 3	Intensive Support	CHF 9,000

Tier 1 – Mild Support: For students who need short-term or occasional help, this level provides targeted academic or ESL support in one-on-one or small group settings. Progress is monitored closely, and teachers collaborate to reinforce learning in the classroom.

Tier 2 – Moderate Support: Designed for students who require more regular and structured help, Tier 2 includes ongoing academic or ESL sessions with tailored strategies. Goals are set for each student, and progress is reviewed regularly. Our Learning Support teacher works closely with classroom teachers and parents to ensure consistent support and communication.

Tier 3 – Intensive Support: For students whose needs go beyond classroom differentiation, this level provides frequent, individualized assistance with academic and/or ESL learning. Support involves one-on-one sessions, personalized planning, and continuous tracking of progress. The Learning Support team coordinates closely with classroom teachers and maintains regular communication with parents. Plans are adapted as the student’s needs evolve, within the scope of the school’s resources.

A student’s assigned tier may be adapted at any point during the academic year in response to evolving needs, following a review by the academic team. Any changes to the support level will be made in consultation with and with the approval of the parents or guardians.

Any student requiring support beyond the levels indicated will be quoted a price independent of the above.

Withdrawal Before School Commencement

- Before 15 May, parents may withdraw without cost, except the Application Fee.
- Withdrawal between 15 May and 15 June: 50% of the Deposit is forfeited.
- After 15 June: 100% of the Deposit is forfeited.

Leaving the School

- Notice must be given in writing by registered post to the Head of School:

 - By 28 February for withdrawal at the end of the school year.
- If notice is late, contractual obligations and costs remain for the following semester.
- Exceptions: Students not promoted may withdraw without notice. Graduating students remain under contract until the end of the school year.

Expulsion

Students may be expelled at any time for disciplinary reasons. If the grounds for expulsion arise after May 15 for the First Semester or after October 30 for the Second Semester, the Parents will be liable for the fees for both the current semester and the following semester. This applies regardless of the reason of the expulsion and regardless of whether the Parents or the Student of age of majority deem the expulsion justified, as it is necessary to cover Lyceum Alpinum's financial commitments and the impact of the Student's removal.

Absences & Premature Departure

- No refund is given for absences (illness, study abroad, etc.), as school place must be retained.
